16th November 2020

Dear Parents,

This year's AGM

It has been brought to our attention that at this year's AGM, we did not have the amount of attendees required by our constitution to formalise the decisions made at that meeting (we were not quorate).

Therefore we attach the minutes from the AGM, for your information. Should anyone have any issues with the decisions made at this meeting, please email them to friendsofwestashton@gmail.com by the 30th November.

If we do not receive any emails by this time, we will proceed based on the decisions made at the AGM.

If you would like to become a committee volunteer, do please get in touch with us by emailing us or speaking to any of our committee members.

Thank you for your continued support.

FOWAS Committee
